### Mal-nourished children

710. SHRI MOINUL HASSAN: Will the Minister of WOMEN AND CHILD DEVELOPMENT be pleased to state:

(a) the number of mal-nourished children in the country, State-wise and the number of sanctioned and operational Integrated Child Development Scheme (ICDS) in the States;

(b) whether the amount sanctioned for ICDS is enough to face the challenge of mal-nourished children in the country; and

(c) if not, what steps have been taken in this regard?

THE MINISTER OF STATE OF THE MINISTRY OF WOMEN AND CHILD DEVELOPMENT (SHRIMATI RENUKA CHOWDHURY): (a) State-wise details of prevalence of malnutrition amongst children below 3 years, as per the data of third round of the National Family Health Survey (NFHS), released recently, is given in the Statement-I (See below).

State-wise details of sanctioned and operational ICDS projects, as on 30.9.2006, is in the Statement-II (See below).

(b) and (c) The budget provision for ICDS Scheme has gone up from Rs. 1837.44 crore in 2004-05 to Rs. 4454.52 crore in 2006-07. Government of India, till the year 2004-05, was not releasing any funds towards supplementary nutrition, which was being provided by the States, out of their own resources. From the year 2005-06, Government of India is supporting States/UTs by providing Central assistance for supplementary

nutrition also. The assistance is limited to 50% of the actual expenditure incurred by the States/UTs or 50% of the financial norms, whichever is lower. Thus, it would not be correct to infer that the amount sanctioned for ICDS is not enough to meet with the challenge of malnutrition amongst children.

**Statement-I**

*Percentage of children under age 3 years as undernourished*

Sl. No.	States/UTs	Nutritional Status of Children as per NFHS-III (2005-06)

**Survey on well-being of women and children**

711. SHRI RAVULA CHANDRA SEKAR REDDY: Will the Minister of WOMEN AND CHILD DEVELOPMENT be pleased to state:

(a) whether the results of the 'Survey on well-being of children and women' for 43 districts in 14 States of the country have been released;

(b) if so, the details thereof;

(c) whether the nation was committed to achieve the targets set out in the millennium developing goals, especially those concerning the well-being of women and children;

(d) if so, the progress achieved so far, State-wise;

(e) the funds allocated and utilized, State-wise; and

(f) the future action plan prepared in this regard?

THE MINISTER OF STATE OF THE MINISTRY OF WOMEN AND CHILD DEVELOPMENT (SHRIMATI RENUKA CHOWDHURY): (a) Yes, sir.

(b) National Sample Survey Organization (NSSO) on the request of UNICEF conducted a survey on the well-being of children and women in the 43 selected districts in 14 States of India. A list of 43 districts is at Statement-I (See below). The Survey covered various aspects of well-being of children and women, namely, health, nutrition, education and protection, knowledge and perception on HIV/AIDS and also provided insight of the situation of service delivery in the villages of these districts. Significant
